
Tools for the Electronics Industry

Consumable Product Lines

AIM solder bar, paste, wire, and flux
StatMat and DuraMat ESD mats and ESD flooring
ACL Staticide static control products
Tronex precision hand tools
QA Tech test probes & pins
Milagon ergonomic esd-safe chairs
WorkMatta ergonomic esd-safe floormats
KIC thermal profiling and analysis tools
Optilia microscopes & BGA scopes

Assembly Equipment

ASM-SIPLACE (Formerly Siemens) SMT process equipment
Rehm/Interselect Selective soldering, reflow, wave, and vapor phase
ASYS/EKRA Laser marking, buffers, conveyors, routers, and printers
TTnS Automatic and semi-automatic conformal coating machines
DATA I/O In-line and batch device and NOR/NAND FLASH Programmers
Alum-A-Lift Ergonomic fixture lifting devices
Quik-tool PCB Board support system for printers and SMT
AEGIS MRP tools

Test and Verification Equipment

Koh Young 3D Solder Paste Inspection (SPI) and 2D & 3D AOI
JTAG 1149.1 IEEE board testing and device programming
Focalspot BGA/SMD repair workstations, X-Ray inspection systems
Aegis Device and material tracking & RFID tools
Gen3 MUST, SIR, Ionic contamination test
RMD RoHS & LEAD detection systems
